

TACTICAL MAINTENANCE SYSTEM - TAC100

GUN CARE KIT FOR A WIDE SELECTION OF FIREARMS

TACTICAL MAINTENANCE SYSTEM - TAC100

The TAC100 Tactical Maintenance System is a universal gun care kit that covers all the popular law enforcement firearms. This all-inclusive kit cleans handguns, shotguns and rifles, and is conveniently packaged in an efficient and durable fabric pouch. Several internal compartments in this zippered pouch keep the tools organized for use. The TAC 100 is a comprehensive kit for departments, agencies and those who own multiple firearms.

Handgun Cleaning Guide:
